The issue at the moment → marginalized communities being disproportionately affected as well as wrongfully accused → Pardoned

how restorative justice shifts the focus from jail to rehab

indigenous values and how they can positively affect the restorative justice system + improvement

how restorative justice is implemented in other places and make a positive effect

“The results of the research, published in four reports, was resounding - restorative justice works. ... Restorative justice led to a 14% reduction in the rate of reoffending. **85% of victims were satisfied with the process of meeting their offender** face to face, and 78% would recommend it to other people in their situation.”
